MOUNT PEARL SKATING CLUB SYNCHRONIZED SKATING TEAMS CONTRACT

Skating on a synchronized skating team requires you to make a personal commitment to the team and its members, as well as to your individual skating. A team can only function as a unit with all of its members working together to achieve success. One person's lack of commitment can hinder that unit. Synchronized skating can be very rewarding but this success will not come without dedication, hard work, self-discipline, and perseverance. The commitment that you have in bettering your individual skating, the dedication you have to your teammates and coaches, and the work you put into practices will indeed set you on the road to success. We welcome you to our synchronized skating Program and wish you a year full of successful opportunities and learning experiences.

PRACTICE

Practice is a critical part of a successful team skating season; therefore, it is very important that team members attend ALL floor and ice practices. A skater that misses practices, may be CUT from the team at the discretion of the Coach. On occasion, additional practices may be necessary. The coaches will make every effort to provide a two week notice, but attendance at additional practice(s) will still be required for all skaters

BEHAVIORAL EXPECTATIONS

Progress can only be made in a safe, cooperative, and respectful environment. To ensure such an environment, all team skaters are expected to follow the coaches' instructions and treat their teammates and coaches with respect. If the coach has a behavioural issue with a skater(s) during practice, it will be addressed by the coach.

COMPETITIONS

Skaters are asked to display good sportsmanship at ALL times. We are all here to enjoy this sport, which signifies teamwork and cooperation. Be encouraging to fellow competitors and supportive of all who are in attendance.

TRAVEL

- A. Skaters will travel to and from competitions with the team unless otherwise approved by the Synchronized Skating Director.
- B. Parents/chaperones may travel with the team subject to availability. Otherwise, they will need to make their own transportation arrangements. Parents are required to check with the team managers or Synchronized Skating Director about an official schedule before making any arrangements.
- C. Skaters are required to stay with their parent or chaperone at the hotel at which the MPSC Synchronized Skating teams will be staying. Parents are required to reserve their own rooms by the group reservation cut-off date.

I have read and understand the above conditions and agree to abide by the rules set forth by the coaches and the officers of MPSC synchronized skating program. Skaters and parents are expected to behave in a manner consistent with, but not limited to, the policies, bylaws, and codes of conduct of the MPSC. I further recognize and understand that this contract is an agreement between our family and MPSC Synchronized Skating Teams from the date of signature below to April 1, 2012.
